Mr. A. Imrie Dixon  
Principal

*“Not in our stars but in ourselves...”*

You of the Class of 1959 are a part of all that you have met—there is something of your school, your friends, and all your associations which you are taking with you wherever you may go. As the mariner looked to the star to guide him on his course, so you will look back upon these memories as you face the future with high hopes. With sincere confidence I wish you “bon voyage”!

The outstanding capabilities of Mr. Kenneth Norris have enabled us to settle the difficulties of the present and to aid us in our plans for the future.

Mr. Kenneth R. Norris

## *Administration*

Always ready to advise us in our problems, Mr. John McGrath, Director of Guidance, and Mrs. Ann Foster, Dean of Girls, have helped us to make decisions throughout our high school journey.

Mr. John F. McGrath

## *Guidance*

Our Guidance Department is the compass by which we have charted our course through high school to graduation. Every student has at some time needed directions on his individual course or advice on his future plans.

Broadening our horizons while helping us to develop proficiency in speaking, the Language Department is now playing an increasingly important role in obtaining a liberal education. Rich in the rewards of the satisfaction of achievement, a foreign language also gives the student a background of the country whose tongue he is studying and gives him a better understanding of the development of the language itself.

## *Cheerleaders*

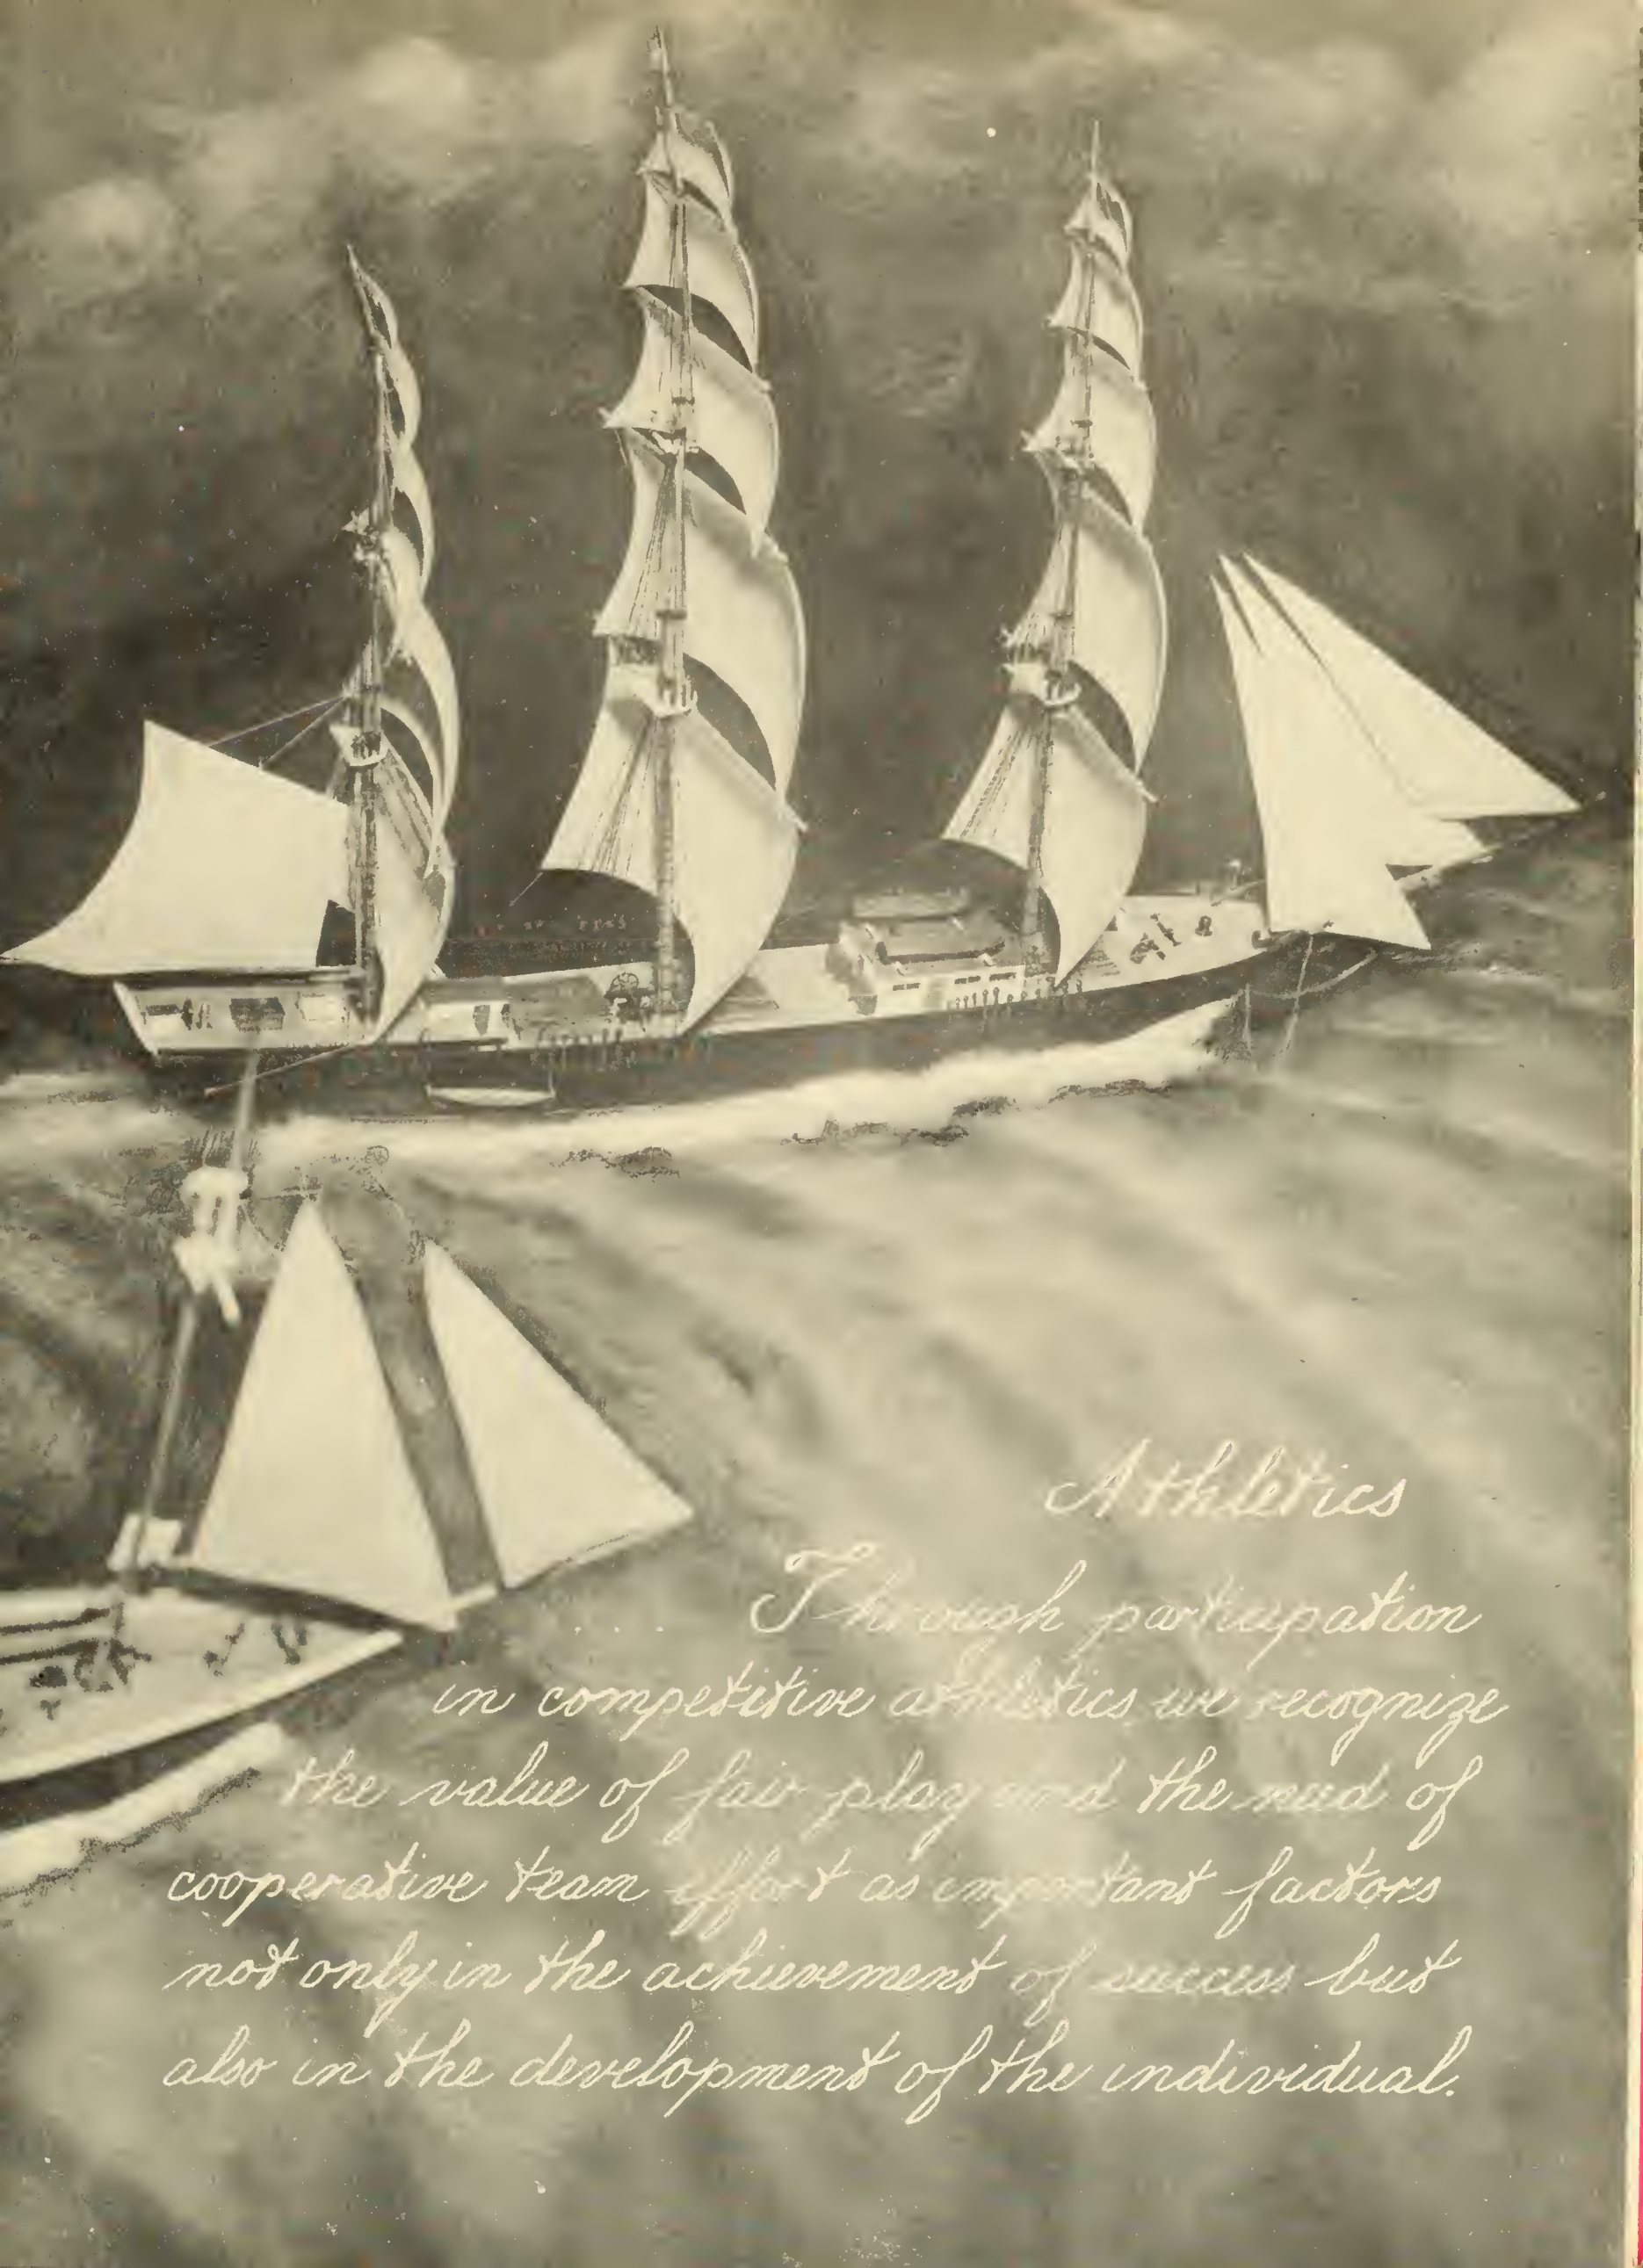

The enthusiasm of the Melrose cheerleaders, urging the team on to victory as they led the cheers at football, basketball, and hockey games this year, has contributed to the color and encouragement that is necessary for all sports. Sponsored by Mr. McPheters, and led by Joan Alley and Jackie Nason, the girls have succeeded in promoting a great deal of school spirit.

Coached by Mr. Hoague, new Director of Athletics, the Melrose High School Red Raiders tied for second place in the Middlesex League. Backs Jeff Smith, Barry White, Tony Aveni, and linemen Dave Coish, Kevin Hubbard, and Captain Tony Scibelli, enabled the team to present an excellent league record of five wins, one loss, and one tie.

The high point of the season came when Melrose defeated its long-time rival, Winchester, by a score of 20-14.

Several members of this outstanding squad were honored by selection to positions on the Middlesex League All-Star team, a fitting climax to a successful season.

This year's Cross Country team, sparked by the running of co-captains Mark Smith and Jim Kristiansen, finished a great season with a final total of eight wins and no losses. Undefeated in dual-meet competition, they placed third in Class B competition and fourth in the all-class State Meet.

The field hockey team has had one of its best seasons. Miss LaPlace and Captain Judy Giovino ably directed the varsity to a 2-3-3 record. The Junior Varsity ended the season with a record of 2-2-4. Teamwork and good sportsmanship have made this team one of the finest Melrose has ever had.

## *Hockey*

Skating through another season of exciting hockey, the Red Raiders again exhibited their potential as a top team. Weakened by injuries and unexpected losses, the team nevertheless placed second in the G. B. I. League and also second in the State Tourney. Showing their unbeatable hustle and determination, the Raiders reached the peak of their season by subduing undefeated Auburn 4-2. Outstanding this year was the ability of Coach Hughes to interchange his lines as the season progressed. Great credit must also be given to the underclassmen who stepped in so successfully for the injured first-string players during tournament play.

Although Captain James Kristiansen was unable to attend, Jeff Smith and Mike Daley took first places, while the remainder of Melrose's seventeen points were gained by Bruce Piatek, Dick Hansen, Charles MacCormack, and the relay team.

## *Outdoor Track*

Aiming for a championship in the Middlesex League, the Red Raiders promise to provide one of the finest track performances of recent years this season. Coached by Mr. Walsh, and led by Co-Captains Jeff Smith and Charles MacCormack, the team showed the strength and the depth needed to overcome powerful opponents.

## *Girls' Tennis*

Home matches are again to be played at Bellevue Golf Club and away matches are to be played at the country clubs of rival teams. With Steve Pembroke, Gary Clifford, and Phil Dyer back from last year, Melrose has a well-rounded team capable of going all the way in the state tournaments.

## *Baseball*

The 1959 Melrose High Baseball Team is setting its sight on the Middlesex crown this year, as a result of finishing second to Belmont in 1958. If the pitching can be improved, the Red Raiders' chances for the top spot in the league should be hopeful. The heavy hitting of Gordon Lewis, Richard Fletcher, Barry White, Mike Kasprzak, Ken Palm, Jim Meehan, and Scott Creelman, plus an experienced infield, should provide serious competition in this year's league.

## IN MEMORIAM

Richard Tryder's sudden passing in his freshman year was a great loss to all of us. Dicky, an outstanding athlete of unusual promise, and a very well-liked member of his class, will always be remembered by those who knew him and by those who would like to have known him.

We are grateful

. . . to all those who have worked so ably and efficiently to make this production of the 1959 Log possible . . .

. . . to our faculty advisors who capably helped us to overcome the many crises and problems we have faced this year . .

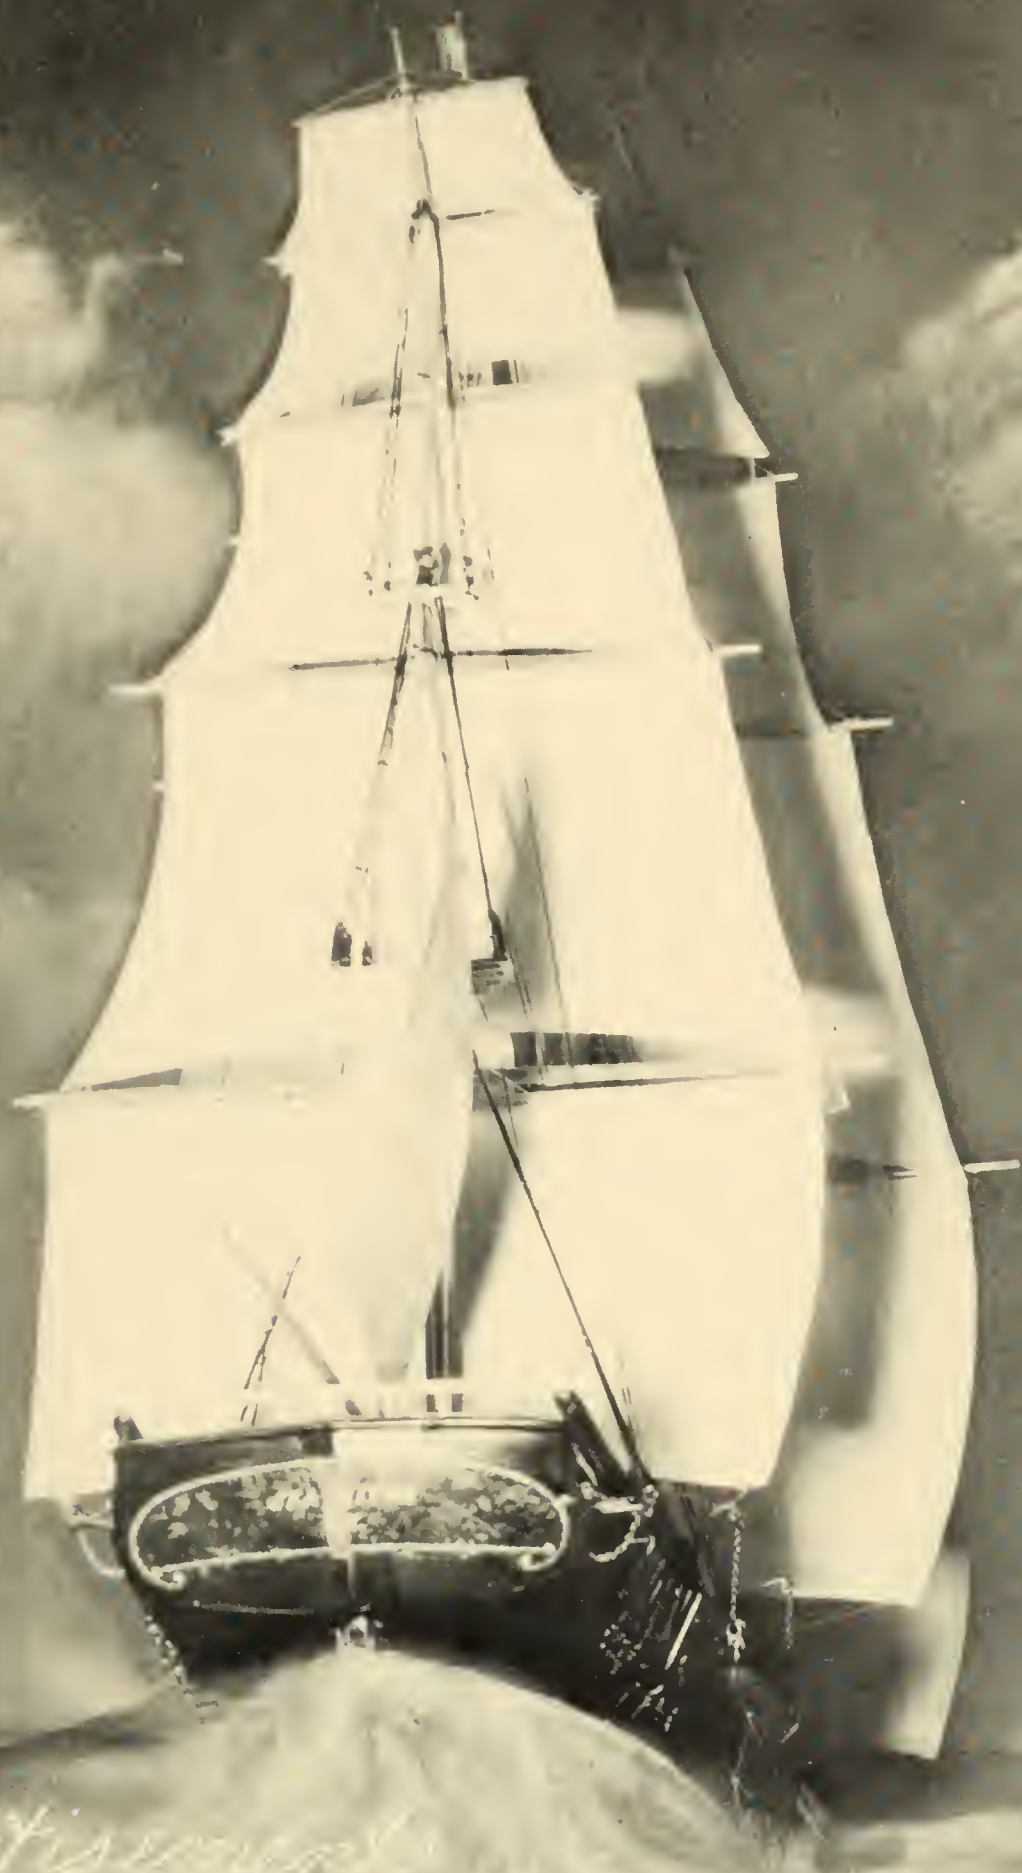

. . . to Mr. Hult, our class photographer, who worked so patiently to carry out our theme and who facilitated the taking of class pictures here at school . .

. . . to the faculty who has been inconvenienced by the confusion of Log photography days, lateness to class slips, and the need to meet deadlines . . .

. . . especially to those staff members who so willingly did more than their share of work and who so faithfully cooperated with the editors in the recording of our Log.

*"IT'S SMART to line up job interviews well in advance of graduation. And one of the best places I know to contact is the Telephone Company. Several of us from my graduating class are working here — and every one of us loves it."*

**Telephone jobs** are important ones. We have our own training program which you can enter without any previous job experience. The pay is good, and you'll get regular raises.

Why not come and see our employment interviewer soon . . . *before* you graduate. Ask the Guidance Counselor at your school to tell you when and where to apply.
